EDUCATION

Bachelor of Arts | Biology

Bachelor of Arts | Secondary Education

Northwestern College | Orange City, IA

Expected: December 2027

- Endorsement: **Coaching**
- Languages: **English & Spanish**

Initial Teaching License – State of Iowa

Expected: December 2027

RESEARCH EXPERIENCE

Northwestern College | Orange City, IA

Fruit Fly Research

2025–2026

BIO202: Genetics & Genomics

- Conducted crossbreeding experiments with fruit flies to analyze genetic inheritance patterns, including monohybrid, dihybrid, and trihybrid crosses
- Monitored and maintained experimental populations with scheduled 8-hour checks to ensure accurate data collection and organism health

Prairie vs Bumblebee Research

2026

BIO312: Invertebrate Zoology

- Collected, recorded, and analyzed quantitative ecological datasets on species abundance, species composition, and habitat variables related to plant–pollinator dynamics
- Applied standardized sampling and data-collection protocols to compare native prairie vegetation and bumble bee populations across multiple research sites

Annotations of Bacterial Phases

2026

BIO202: Genetics & Genomics

- Conducted genetic annotation of bacterial phases by analyzing entire gene sequences, identifying functional regions, and determining gene roles and interactions within broader genomic datasets
- Contributed to large-scale collaborative research by examining bacterial phases relevant to HIV studies and synthesizing annotated genetic data to support comparative analysis across multiple phases and published findings

EDUCATION EXPERIENCE

Practicum Hours

Aug–Dec 2025

Unity Christian High School | Orange City, IA

- Completed 100 hours of observation and field experience in a secondary school, assisting with instruction and classroom management
- Supported diverse learners through one-on-one and small-group assistance in an inclusive environment

WORK EXPERIENCE

Barista

Aug 2025–Present

Scooter's | Orange City, IA

- Deliver fast, friendly customer service in a high-volume environment while accurately preparing beverages and handling transactions
- Demonstrate strong time management, reliability, and professionalism when balancing multiple responsibilities and collaborating with teammates

Marketing Specialist & Hostess

2023–2025

Texas Roadhouse | Frederick, MD

- Assisted with local marketing initiatives and community outreach, thereby increasing customer engagement and promoting brand awareness
- Delivered clear, professional communication in a fast-paced environment while coordinating guest flow and supporting team operations

CAMPUS LEADERSHIP

Northwestern College | Orange City, IA

Women's Varsity Soccer Team

2024–Present

- Hone leadership, persistence, and resilience while working on a team
- Utilize time management and organizational skills to balance academic and athletic commitments

Franken Fellow: Peer Career Mentor

2026–2027

Compass Center for Career & Calling

- Meet one-on-one with college students to create professional documents and online profiles
- Plan and execute campus events to facilitate students' professional development

Participant | Accelerate Siouxland

2025–2026

- Served as student participant in a regional leadership development program to spark connections and ideas
