## ▷ OUR VALUES

Before you take the final step of submitting your application, we think it is important to make sure you have a full understanding of what is most important to us as a college. Our mission statement, and the paragraphs below, do this well.

### **Our mission**

Northwestern College is a Christian academic community engaging students in courageous and faithful learning and living that empowers them to follow Christ and pursue God's redeeming work in the world.

### **Christian academic community**

We care about serving and loving God and each other. Students are accepted here and equipped to become better people in God's image. Education doesn't stop after class is dismissed; it's a 24/7 experience as students learn, live and worship with friends and mentors.

### **Courageous and faithful learning and living**

We don't shy away from tough issues or questions "off limits" to some Christians, so students might be challenged by new ideas. Through that, their beliefs will become clearer to them—and more important. This is a safe place to explore, and students can trust that their professors are seeking God's truth.

### **Pursuing God's redeeming work**

At Northwestern, students learn about God's world and their call to help redeem it. We'll prepare them for successful careers, but we'll also get them ready for an even more important job: leading faithful lives. That will require intelligence, compassion and an education—like Northwestern's—that teaches both mind and heart.
