Four Years of Leading Worship

Team Oversight

Music Leadership

Mission-Oriented

Friendly, Positive Attitude

Problem Solver

Self-Motivated and Driven

Spirit Led

PROFESSIONAL PROFILE

Passionate and driven worship leader who desires that all would see and experience the beauty of the Lord. Loves to spend time alone in the Word and in song, often choosing to sing the very words of Scripture. Zealous about leading others to experience freedom and healing through the Holy Spirit. Desiring an opportunity to grow and serve alongside others in an environment that is challenging and impacts lives for the kingdom.

RELATED EXPERIENCE

WORSHIP LEADER

Aug 2020 – Present

Campus Ministry | Northwestern College | Orange City, IA

- Selected and led a student worship team both musically and spiritually
- Planned services around a theme incorporating Scripture, prayer, and a speaker as key parts of the service
- Selected songs and organized materials for worship services
- Utilized Pro-Presenter7 to create lyrics for worshipers
- Used Planning Center to create song lists for the worship team
- Worked to implement creative forms in worship i.e. painting, spoken word, and dance

WORSHIP AND ARTS INTERN

May - Aug 2021

Christ Community Church | Lemont, IL

- Participated and lead to create Christian community development
- Experienced the day-to-day rhythms of ministry
- Planned and ran AV for a youth camp, children's show, VBS, and outdoor worship setups
- Planned and led weekly rehearsals and the Sunday morning worship
- Learned to trouble-shoot different pieces of technology used in worship

WORSHIP INTERN

May - Aug 2020

House of Missions and Equipping | Sioux Center, IA

- Joined in Spirit led planning and worship
- Planned weekly services that invited congregants into engaging, active worship
- Planned and led large weekly services with a full team
- Planned and led small devotional sets twice a week, singing spontaneously and singing from Scripture
- Ran sound once a month for main worship service

WORSHIP INTERN

March - Aug 2020

Victory Church | Balaton, MN

- Worked on the technical side of worship ministries
- Researched to identify the sound board that best fit the Church's needs, removed the old board, and installed a new M32 system
- Trained the sound technicians in operation of the new board, the new stage box, and new layout of chords
- Redesigned the system for chords and placement of instruments on the stage
- Assisted in rebranding the logo and look of the Church including building a new website and designing and buying new merchandise
